The peace of heart

Testo di Martino Novellino

**RIT. The peace of heart be over you,
the peace of heart be over your skin
and trust in God who'll cradle you
in his grace, if you love each other.**

Prisoners are forgiven,
mothers are returned to loved ones,
no hate no war, no more:
dry the tears with love.

Men shake hands with their enemies,
no longer bloodied white robes.
Here is what is the secret of life:
to give a smile without losing the light.

Fear doesn't belong to you anymore,
you are now free from this tyrant:
you can leave the weapons at last
and trust in God and in his sweet heart.

The peace of heart is the language
to cheer and cherish every soul,
it's the sweetness of loving more and more,
it's the flower not to be worn, but to be shared.

The peace be over you.

La pace del cuore

Traduzione del testo di Martino Novellino

**RIT. La pace del cuore sia su di voi,
la pace del cuore sia sulla vostra pelle,
e confidate in Dio che vi cullerà
nella sua grazia, se vi amerete gli uni gli altri.**

I prigionieri sono perdonati,
le madri vengono restituite ai propri cari;
niente odio, niente guerra, non più:
asciugate le lacrime con l'amore.

Gli uomini si stringono la mano con i loro nemici,
le vesti bianche non sono più insanguinate.
Ecco qual è il segreto della vita:
donare un sorriso, senza perderne la luce.

La paura non vi appartiene più,
ora siete liberi da questo tiranno:
potete lasciare le armi finalmente
e confidare in Dio e nel suo cuore dolcissimo.

La pace del cuore è il linguaggio
per rasserenare e custodire ogni anima,
è la dolcezza di amare sempre di più,
è il fiore che non va sciupato, ma deve essere condiviso.

La pace sia su di voi.
